## PRIME DOCK & DOOR NAMED BLUE GIANT DEALER FOR THE MARITIMES

*Partnership pairs Blue Giant's industry-leading loading dock equipment with Prime's 24/7 sales, installation, and service network across Nova Scotia, New Brunswick, and Prince Edward Island.*

**MONCTON, NEW BRUNSWICK — July 7, 2026** — Prime Dock & Door, a division of the Prime Group of Companies, today announced a new partnership with **Blue Giant Equipment Corporation**, a leading North American manufacturer of loading dock equipment. Under the agreement, Prime Dock & Door becomes the **Exclusive Authorized Blue Giant Dealer for the Maritimes**.

The partnership gives facilities across the region a single local source for Blue Giant's product line — including dock levelers, vehicle restraints, dock seals and shelters, and ergonomic lift equipment — with sales, installation, genuine parts, and warranty support delivered by Prime's own technicians. Blue Giant products join Prime Dock & Door's existing services: 24/7 emergency repair, preventative maintenance contracts, equipment inspections, and new installations.

*"Blue Giant sets the benchmark for loading dock safety and reliability, and facilities across the Maritimes deserve that quality with true local support. From Halifax to Moncton to Saint John, our customers can now spec, install, and service Blue Giant equipment through one call — and count on us around the clock when it matters."*

— Dwayne Smithers, President, Prime Material Handling Inc.

Blue Giant equipment is available through Prime Dock & Door effective immediately. To request a quote or schedule a consultation, visit [primedockdoor.com](https://primedockdoor.com) or call **(506) 388-8811**.
